**Sub: Submission of information in the e-form MGT-7 i.e. Annual Return of API Holdings Limited ("Company") for the financial year ended on March 31, 2022.**

Respected Sir,

This is to inform your good office that, the Company hereby wishes to provide the clarification for the details mentioned in against the following sections of the Form MGT-7 filed for the financial year ended on March 31, 2022.

### 1. **Break-up of paid-up share capital**

In the point number IV (i) (d) of Form MGT 7, the Company is required to provide the break-up of the paid-up share capital. Due to format constraint of Form MGT 7, the Company has mentioned adjusted number of the shares (in the break-up table of paid-up share capital) pursuant to sub-division of face value of the shares.

During the Financial Year 2021-22, the Company had issued and allotted equity shares to various investors at their respective issue price (face value of Rs. 10/- each). However, on October 29, 2021, the Company had sub-divided its face value from Rs. 10/- per share to Re. 1/- per share. Pursuant to sub-division of face value of share, the numbers of shares held by respective investors were accordingly adjusted.

However, due to unavailability of sub-division corporate action field in the "*break up of paid up share capital*", the Company has, while reporting number of shares in the Form MGT-7, mentioned adjusted numbers of the shares to ensure that the total number of shares at the end of the year as mentioned in Form MGT-7 is same as total number of shares outstanding as on March 31, 2022.

For the purpose of reporting the actual numbers, please see below table:
